C) Voter Awareness Program:

Report on Voters awareness 25th January 2022

Voter awareness programme was arranged for our staff & students in our college on 25th January on the occasion of National Voters day. This awareness programme aimed at new voters and those who never vote. Healthy voting practices helps to create a strong democracy, and a free and fair vote is the fundamental tool through which citizens can express their political preferences and developmental wishes. We are dedicated to sensitizing voters about the importance of participating in the electoral process as a way to ensure a responsive, accountable and democratically elected government. Principal, Dr. Matkar L.S. and Dr. Mundhe G.S. (HOD Political Science) delivered a speech on voter awareness. He guided the students about voter Awareness. Series of events to increase public awareness and participation in the upcoming election. Voting is a responsibility, and an action in which every member of society should participate.

Report of S.Y.B.Sc. Extension Activity

The University Grants Commission (UGC) has initiated several measures to bring equity, efficiency and excellence in the Higher Education System of country. The important measures taken to enhance academic standards and quality in higher education include innovation and improvements in curriculum, teaching-learning process, examination and evaluation systems.

Savitribai Phule Pune University, Pune have designed syllabus under C.B.C.S. Pattern for S.Y.B.Sc. class from academic year 2020-2021. Being a part of the system, Department of Physics organized Extension activity for S.Y.B.Sc. students for 1 Credit.

In this activity Students have given a different topics regarding Social as well as Environmental issues under the guidance of different teachers. Student were visited their village peoples and enhance awareness regarding the different educational, Social and environmental issues.

Total 36 students were participated in this activity. These student are divided in different groups with one topic for each group and submitted the report as well as feedback of the given topic to the department.

'C' Language Practice Program Activity

Department of Physics organized 'C' Language practice Program activity for T.Y.B.Sc physics students. Department has own computer lab with five computers. This year on 22nd November 2021, department had scheduled the time table for the practice the software program of 'C' language. In this activity, third year students were divided into groups and guided by department teachers. The logical Program instructions of 'C' language were typed in computer software and were compiled, executed for the output. If any error was generated during compilation, it was removed by student or teacher.

In academic year 2021-2022, 15 students were distributed in two groups with two teachers for each. The main objective of the activity was to motivate and develop the practical and logical skill in programming. Feedback of activity was collected by the department.
