Introduction

The purpose of extension activities is to give students opportunities to use the target words and definitions during interesting, engaging, and contextualized activities. Do not use the extension activities to assess the students' knowledge. Here are two types of extension activities:

1. **Drill and Practice:** Designed for the students to practice the vocabulary words and definitions.
2. **Conceptual:** Designed to give students more opportunities to understand and use the target words in an activity related unit theme. During the conceptual extension activity, the teacher should expand on students' language and vocabulary in a natural, but purposeful way.

Preparation:

Because extension activities are so different from each other, we cannot provide the standard way of conducting these activities. Instead, you will find examples and more specific directions for extension activities within each unit of instructions.

Procedures:

You will find many examples and more specific directions for each activity within each unit of instruction. The changing times have brought about a reorientation of extension education. Extension activities concentrates on putting across in an understandable manner, new ideas and improved technologies of practical utility to the rural, tribal and urban privileged and underprivileged people. It enables us to use the newly acquired knowledge and skills to improve their general standard of living. It is the social science that attempts to adopt various strategies of change in the behavior patterns of people through technological and scientific innovations for the improvement of their standard of living. The idea behind the extension work is the coming together for the task of social upliftment. Extension makes good communities better and progressive. Extension contributes to national development programmers.

Participants typically develop leadership and teamwork skills and become more attuned to working amongst populations of varying ethnicity or socioeconomic status. The institution itself is likely to benefit from more satisfied students, often more motivated and more likely to stay in college, as well as from better relations with potential employers, neighboring communities, voters, state legislators, parents, and current and future alumni. Extension is learning-teaching methods connect meaningful community service to academic curriculum. Service-learning blends community service goals and formal and informal (standard/academic and experiential/non-standard) educational goals in a manner that benefits participants and recipients. Extension activities and learning is a set of techniques and tools that can strengthen community relationships and connections.

Shri. Dhokeshwar College's NSS department had received a comprehensive response during the COVID-19 pandemic lockdown period. NSS played an important role during the COVID-19 pandemic lockdown period. NSS volunteers along with the alumni team were actively involved in providing assistance to the authorities during COVID-19 pandemic. In order to create awareness in the community, NSS volunteers prepared small videos and e-messages which were shared among their relatives, friends and near and dear ones. This helped to fight against the infection of COVID -19. Many of young volunteers actively helped the hospital authorities for collection of samples, in maintaining social distance and helped the patients to get daily food items, etc. from outside when they were in quarantine. The assistance provided by these volunteers to the people of various segments in the society included transgender, migrant workers, stranded labourers, elder people in the community. Use of face masks was promoted by these volunteers through several videos, posters and slogans which were shared electronically during various phases of lockdown at a large scale. ग्रप्राणी ही अनमोल संपत्ती: जगत

श्री ढोकेश्वर : मनुष्य प्राण्यांप्रमाणे पाळीव तसेच वन्यप्राणी अनमोल संपत्ती, त्यांचे संवर्धन करणे गरजेचे असते. मत् टाकळी ढोकेश्वर येथील वनक्षेत्रपाल प्रताप जगताप यांनी श्री ढोकेश्वर कॉलेजमध्ये राष्ट्रीय वन विभागाच्या वतीने आयोजित सप्ताहातील कार्यक्रमात प्रमुख वक्तृत्व देत बोलत होते. ते पुढे म्हणाले, वन्यजीव मानवास हानी पोचवत आणत असते तशीच वन्यजीव वन्यजीवसंपत्ती वाटते, त्यामुळे वन्यजीवसंपत्ती कुठल्याही प्रकारची इजा होणार नाही याची काळजी घेतली पाहिजे. पारनेर विखट्याचा वावर कमी आहे, तो वाढवण्यासाठी, दाट झाडी, पाणी, वन्यजीव असतो. विखट्याचा वावर लहान प्राण्यांवर

हल्ला करतो, त्यामुळे विखट्यासमोर कधीही वसू नका किंवा खाली वाकू नका, असा सल्ला त्यांनी दिला. कार्यक्रमाचे अध्यक्ष महाविद्यालयाचे प्राचार्य डॉ. लक्ष्मणराव मत्कर यांनी राज्यातील विविध उद्यान अभयारण्यांविषयी माहिती देऊन युवकांनी आपली ही वनसंपत्ती जपून ठेवण्यासाठी

हातभार लावला पाहिजे, असे केले. याप्रसंगी वनविभागाचे श्री. भांड, श्री. व्यवहारे, राष्ट्रीय वन विभागाचे स्वयंसेवक उपस्थित होते. सेवा योजना अधिकारी प्रा. नामदेव यांनी कार्यक्रमाचे नियोजन व प्रा. समीर दळवी यांनी आभार

Report on Plastic Nirmulam

11th January 2018

NSS Volunteers of our college have been appealing the people about not to throw out plastic and glass which are creating major solid waste problems. With respect to that Shri. Dhokeshwar College has started a noble project to collect the segregated waste plastic and glass. In this respect volunteers have claimed that "once the non-biodegradable solid waste is segregated from the biodegradable solid waste, biodegradable solid waste in the land field will never create any problem rather it will act as soil conditioner". In the first phase of activities on 11th January 2018 students had collected all types of carry bags, pouch, packs of vegetable oil and milk pouch, broken plastic buckets and mug, and all types of plastic bottle, container, plastic cups. Volunteers had collected about 100 kg of plastic from the Takali village and created awareness among the citizens about the elimination of plastic. 37 students participated in this programme.

Padma Bhushan Anna Hazare had been invited as the chief guest for the youth festival organized by the National Service Scheme Department. An injustice and an oppression of women in the state of Maharashtra is increasing day by day. Addiction seems to be an important reason behind the incident. Therefore, to prevent liquor ban in the state in the next week, they are preparing a draft with the state excise commissioner. Anna Hazare, a senior social worker, warned about a state-wide movement. A youth awareness camp was organized on Friday in association with Shree. Dhokeshwar College and Savli Pratishthan at Takli Dhokeshwar. Mr. Zawre Rahul, a member of District Maratha University Society, was the president of the program. On this occasion, Dr. Babasaheb Killari, (President Savli Pratishthan), Secretary Mr. Sonwane Santosh and others were present.
