***Swachha Bharat Abhiyan -Report on Plastic Nirmulam***  
***11<sup>th</sup> January 2018***

NSS Volunteers of our college have been appealing the people about not to throw out plastic and glass which are creating major solid waste problems. With respect to that Shri.Dhokeshwar College has started a noble project to collect the segregated waste plastic and glass. In this respect volunteers have claimed that “once the non-biodegradable solid waste is segregated from the biodegradable solid waste, biodegradable solid waste in the land field will never create any problem rather it will act as soil conditioner”. In the first phase of activities on 11<sup>th</sup> January 2018 students had collected all types of carry bags, pouch, packs of vegetable , oil and milk pouch, broken plastic buckets and mug, and all types of plastic bottle, container, plastic cups. Volunteers had collected about 100 kg of plastic from the Takali village and created awareness among the citizens about the elimination of plastic. 37 students participated in this programme.
