1. Policy for Alternate Source of Energy and Energy Conservation Measures-

Solar Energy

Energy conservation is one of the best practices followed by the staff and students of ShriDhokeshwar College, TakaliDhokeshwar. Round the clock effort is made to reduce the consumption of energy on the college campus in the following ways:

- a. Creating awareness among the students and staff by organizing conferences, workshops, etc.
- b. The buildings have glass windows for maximum utilization of natural light.
- c. To Run a 10 kW on grid Solar Project forthe college and a 5 KW off grid solar Project for the Ladies' Hostel.
- d. Lights and fans are switched off when not required.
- e. There is ventilation at essential places.
- f. Energy efficient compact fluorescent tubes and ceiling fans of higher star ratings are used in many places to ensure energy conservation etc.

2. Policy for Degradable & Non-degradable Waste

The policy Vision

The college applies a 'Waste hierarchical approach to reduce, reuse, recycle and recover waste products in preference to the disposal of waste to landfill. The policy visualizes a society that is aware of the climatic condition of the world and therefore attempts to create an ecologically healthy, prospering, and resource efficient community.

Policy Objectives

1. To follow the five principles of Reduce, Reuse, Recycle, Refuse and Regenerate
2. To maintain the campus plastic free.
3. Give appropriate training to teachers, residents, staff, students, and other stakeholders on waste management issues.
4. Give the training to adopt appropriate technologies for processing and managing solid, liquid, and e-waste.

PRINCIPAL
Shri. Dhokeshwar College
Takali Dhokeshwar
Tal. Parner, Dist. Ahmednagar

1) Degradable Waste

2) Non-degradable Waste

Recycling is an essential element of e-waste management. Properly carried out, it should greatly reduce the leakage of toxic materials into the environment and mitigate against the exhaustion of natural resources. However, it does need to be encouraged by local authorities and through community education. Generally, the non-degradable waste is sent to the parent institute for recycling.

A. J. M. V. P. S.

4. Green campus initiatives policy

Objective:

- To create clean green and pollution free environment.
- Creating awareness of environmental conservation among students.
- To create awareness among students about global environmental issues and the greenhouse effect.
- To motivate students to adopt nature oriented lifestyle

Action Plan:

- a) To organize programs to create awareness among the students about hygiene.
- b) To implement activities like poster presentations under Swachh Bharat Abhiyan.
- c) Proper waste management.
- d) Making compost from wet waste.
- e) Solid waste management.
- f) Banning the use of plastics on college premises.
- g) To cultivate gardens and greenery.
- h) Organize tree plantation activities.
- i) Imbibing the importance of cleanliness.

Action Taken Report Green Campus Initiative

Year	Action plan	Action Taken Report
2021-22	<ol style="list-style-type: none"> 1. To complete Rain Water Harvesting Project 2. To establish a botanical garden. 3. Planting trees for the beautification of the college. 4. Raising Funds for Green Campus through Public Participation. 	<ol style="list-style-type: none"> 1. The rainwater harvesting project was completed. 2. Designated a Medicinal and Botanical garden in front of the main building. 3. Laid out the boulders for the beautification of the college campus on the roadside. 4. The college collected 38 thousand of funds from public participation. And 20 cement benches have been purchased out of the funds collected from the public and laid on the college campus at different places..
2020-21	<ol style="list-style-type: none"> 1. Construction of a 1 lakh liter capacity storage water tank. 2. Installation of 5 KW on grid solar power plant for Ladies' hostel. 3. Establishment of 'Water Lily and Lotus Garden. 4. To develop rainwater harvesting project 	<ol style="list-style-type: none"> 1. A water tank with a capacity of 1 lakh liters was constructed to store the water flowing from the roof of the college terrace in the rainy season. 2. 5 KW off grid solar installed for Ladies' hostel. 3. Establishment of 'Water Lily and Lotus Garden' Behind The building of the Ladies' Hostel. 4. Started work on the rainwater harvesting project.

2019-20	<ol style="list-style-type: none"> 1. Installation of an on-grid 10 KW solar plant on the main building. 2. To solar proposal to the parent institution for the Ladies' hostel. 3. The construction of the canteen. 4. Dig up the borewell recharge trenches. 5. Construction of a staircase in front of the main building. 	<ol style="list-style-type: none"> 1. Off-grid solar plant installed on the main building. An agreement was made with Mahavitrans Power Company. 2. Proposed solar power to parent institution for Ladies' hostel. 3. Construction of the canteen on the college campus is completed. It was inaugurated by Trustee 4. Dug up borewell recharge trenches and coursed water through pipes.. 5. Staircase was constructed in front of the main building.
2018-19	<ol style="list-style-type: none"> 1. Construction of a horizontal wall in front of the main building. 2. Planting of various trees. 3. Making a shade net. 4. Cultivation of different hibiscus varieties. 	<ol style="list-style-type: none"> 1. A horizontal wall was built on the slope in front of the main building of the college. Also, palms, Ornamental plants, Adulsa, and various vines were planted there. 2. Prepared Shed-Net House for a botanical garden. 3. Trees like Neem, Kanchan, Gulmohar, Tamarind, Banyan tree, Pimple, etc. were planted on the slope in front of the building. 4. In Front of the shed net botanical garden planted different types of Hibiscus.
2017-18	<ol style="list-style-type: none"> 1. Planting various species of trees on the college premises by reaching out to the public. 2. Sending proposals for solar energy to the University for Non-conventional Energy Utilization. 	<ol style="list-style-type: none"> 1. Worked with a social service group from Takli Dhokeshwar village. The college took the government forest officers and the villagers to conduct a tree plantation program at the hands of Sarpanch Poptrao Pawar of Adarsh Gaon Yojana and Chairman of Parner Panchayat Samiti Rahul Bhaiyya Zaware. 2. A proposal for 10 KW solar energy was submitted to the university to make the college premises a green campus.

SHRI DHOKESHWAR COLLEGE

Takali Dhokeshwar, Tal. Parner, Dist. Ahmednagar, (MS)

Affiliated to Savitribai Pule Pune University, Pune

NAAC Re-accredited with Grade "B" (CGPA 2.21-2nd Cycle)

ISO Certification: 9001:2015

Website: <http://shridhokeshwarcollege.org/>

5. Disabled-friendly, barrier free environments Policy

Objectives:

1. To give admission to disabled persons with compliance of the rules and regulation of the state and central Government.
2. To provide equal educational opportunities to the disabled students in the institute.
3. To create a conducive educational environment for the disabled students in the institute.
4. To strive for the comprehensive development of disabled persons.

Action Plan:

- a. To provide basic facilities for disable students for easy access to classrooms, laboratories, administrative offices, libraries.
- b. Ramps with rolling will be provided at the entrances of the buildings in the College.
- c. As per the rules of the University, extra time of thirty minutes will be given to disabled students during exams.
- d. Writers will be made available to blind and visually impaired students.
- e. To provide a writer to the examinee who is incapable of writing own paper.
- f. Encourage disabled students to participate in various activities and competitions.
