## c) Summary report of the Program

**Report**

Date-15/04/2020

### **Travel & Tourism certificate course**

**Travel & Tourism certificate course** was implemented at the college level in the year 2019-20 under the Department of Geography. A total of 25 students took admission in it. Participating students were guided by the professors of the department to get information about the tourist destination, create interest in tourism, study about regional tourist destinations, employment opportunities available in travel and tourism sector and tourism infrastructure. In a one-day workshop organized for students on 18/02/2020, Mr. Bhushan Deshmukh, the principal lecturer, gave in-depth guidance on the topic of employment opportunities arising from tourism. A total of 75 students participated in this workshop. After the completion of the course duration, the students were given a certificate by taking the exam. Prof. Kokate S.B. worked first as the course coordinator.

## Department of Geography

### Travel and Tourism

Certificate Course- 2019-20

#### Program Outcome

##### Course Objectives

- To prepare and develop learners for supervisory / management roles in the tourism /or hospitality industries.
- To provide an understanding of progressive sustainability concepts, environmental impacts and ethical issues for the industry.
- To develop the student's ability to apply theory to practice using case studies.
- To explore the strategic issues in business development, rather than operational-level issues.

##### Course Outcomes

- Apply the concepts and skills necessary to achieve tourist/guest satisfaction.
- Use knowledge of best practices to further sustainability (economic, environmental, cultural and social) in the industry.
- Use knowledge and skills associated with problem-solving, creative and critical thinking, reflection and decision-making to function effectively in the classroom, community and industry.
- Demonstrate ability to perform basic and supervisory level job functions in tourism and hospitality careers.

##### Career Prospects:

After the successful completion of the Travel and Tourism certificate course, the students are expected to

- Analyze, understand, and innovate the deliverables of the tourism sector
- Create a competitive edge to destinations through managerial skills
- Acquire entrepreneurial skill sets
- Possess vibrant interpersonal qualities
- Possess learning acumen

c) Summary report of the program

**Report**

Date-10/04/2019

**Travel & Tourism certificate course**

From the academic year 2018-19, Travel & Tourism certificate course was started under Geography Department for students of all classes in the college. A report on that reference....

In the academic year 2018-19, it was implemented at the college level under the Department of Geography. A total of 24 students participated in it by paying the entry fee. The professors of the department guided the participating students with information about regional, national and international tourist destinations as well as employment opportunities available in the field of travel and tourism, and tourism management etc. After the completion of the course duration, the students were given a certificate by taking the exam. Prof. Kokate S.B. worked first as the course coordinator.

## Department of Geography

### Travel and Tourism

Certificate Course- 2019-20

#### Program Outcome

##### Course Objectives

- To prepare and develop learners for supervisory / management roles in the tourism /or hospitality industries.
- To provide an understanding of progressive sustainability concepts, environmental impacts and ethical issues for the industry.
- To develop the student's ability to apply theory to practice using case studies.
- To explore the strategic issues in business development, rather than operational-level issues.

##### Course Outcomes

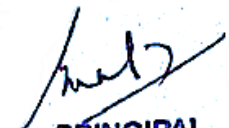

- Apply the concepts and skills necessary to achieve tourist/guest satisfaction.
- Use knowledge of best practices to further sustainability (economic, environmental, cultural and social) in the industry.
- Use knowledge and skills associated with problem-solving, creative and critical thinking, reflection and decision-making to function effectively in the classroom, community and industry.
- Demonstrate ability to perform basic and supervisory level job functions in tourism and hospitality careers.

##### Career Prospects:

After the successful completion of the Travel and Tourism certificate course, the students are expected to

- Analyze, understand, and innovate the deliverables of the tourism sector
- Create a competitive edge to destinations through managerial skills
- Acquire entrepreneurial skill sets
- Possess vibrant interpersonal qualities
- Possess learning acumen
